

## 高教深耕計畫「淡江大學教師跨領域研究社群」 —Reshaping Business with Artificial Intelligence

時間：2018-11-29

地點：B302F

### AI at Work

#### High Expectations Amid Diverse Applications

#### Disparity in Adoption and Understanding:

1. Pioneers :Organizations that both understand and have adopted AI.
2. Investigators : Organizations that understand AI but are not deploying it beyond the pilot stage.
3. Experimenters : Organizations that are piloting or adopting AI without deep understanding.
4. Passives : Organizations with no adoption or much understanding of AI

Please see the attached graph below for more details.
